The general question of recruitment to the Magistracy will be worked up in consultation with the Chief Court. Meanwhile the question of filling up the existing vacancies is to be taken up.

According to the G.O. of 5-10-23 (Fl.C) there ought to be 8 First Grade Magistrates, and 9 Second grade Magistrates and 12 third grade Magistrates.

Now there are 6 First Grade Magistrates and 10 Second Grade Magistrates. So pending the introduction of the Separation Scheme in the Chitaldrug District, there is a vacancy in the First Grade Magistracy and there is one extra ^{magistrate} in the Second Grade as shown below.-

The vacancy in the First grade may be filled up temporarily, pending the disposal of the general question of recruitment, by appointing Mr. C. Narainawami Naidu as First Grade Magistrate. This will bring the number of Second Grade Magistrates to the normal number 9 fixed in the G.O. 5th October 1923.

It must also be pointed out that according to the G.O. of 31st March 1925 (Fl.B) there should be 4 First Grade Magistrates and 4 Second Grade Magistrates among Asst. Commissioners.

This implies that 4 Senior Asst. Commrs. should be First Grade Magistrates and 4 Asst. Commrs. Second Grade Magistrates. But actually it will be seen in the list in the list given above from which the existing appointments that there are 6 Senior Asst. Commrs. and one Asst. Commr. the two Senior Asst. Commrs. have therefore to be replaced by two Asst. Commrs. in order to give effect to the G.O. of 31st March 1925 (Fl.B).

Two extra Senior Asst. Commrs. seem to have been posted in order probably to be in charge of 1st Class Courts and to exercise appellate powers. The necessity to post these two Senior Asst. Commrs. to these courts would not have arisen if the vacancies due to the judicial department and other services in the 1st Grade had been filled up by Sub Judges and others. But for an ^{1st grade} ~~liab~~ for 11 ^{1st grade} ~~combs~~ in the State, there are

~~The~~ ^{the} appointments of Special Magistrates - One in the first grade and two in the third grade - have to be made in connection with the introduction of the Judicial Separation Scheme in the Chitaldrug District from 1st October next.

2. The total number of magistrates in the several grades according to the scale sanctioned in Government Order No.P. 1974-2038/Ots.21-22-6 dated 5th October 1923 is as follows:-

F i r s t G r a d e.....	8
S e c o n d G r a d e	9
T h i r d G r a d e	12
.....	
Total	29
.....	

Out of this number, 8 places are reserved for Assistant Commissioners - 4 for Senior Assistant Commissioners (who should be counted against First Grade Magistrates) and the remaining 4 against other Assistant Commissioners (drawing Rs 450/- and below). In the Government Order dated 17th November 1919, ^{the} 2 appointment of First Grade Magistrates were ordered to be included in the Sub Judges' cadre. But since this order was passed the total number of First Grade Magistrates has been reduced from 11 to 8 and a new class of third grade magistrates has also been created. In the circumstances the above order should be considered as no longer in force; and the Government will now have to determine - again, if necessary, the number of First Grade Magistrates to be either included in the Sub Judges' Cadre or made interchangeable with Sub Judges.

3. The existing number of Magistrates in the several grades is as follows:-

1. First Grade.

Number treated as interchangeable with Sub Judges or included in Sub Judges' Cadre.

4. It will be seen from the above that while the number of Senior Assistant Commissioners who are to be employed as First Grade Magistrates should be only 4 according to the sanctioned cadre, the actual number of Senior Assistant Commissioners now employed as Magistrates is 6, this being due to the fact that 2 of these officers (Messrs. M. S. Ramachandra Rao and B. Narainswamiengar) who were only ordinary Assistant Commissioners when they were first sent to the Judicial Branch have since been promoted as Senior Assistant Commissioners. It will be therefore necessary to send back two of the Senior Assistant Commissioners from the Judicial Branch, if the sanctioned scale is to be adhered to. If this is done the number in the first grade will be 2 Sub Judges, and 4 Senior Assistant Commissioners

and one other promoted ~~to the~~ from second grade, making a total of 7; and this will leave one place remaining to be filled up for the introduction of the Separation Scheme in Chitaldrug District.

In the second grade we have now 7 officers (1 Assistant Commissioner and 6 others) against a sanctioned strength of ~~at~~ 9. This is due to the fact that the two Assistant Commissioners named above who were not Senior Assistant Commissioners when they were first posted to the Judicial Department have since become Senior Assistant Commissioners and as such should be treated as counting against the first grade. If two of the Senior Assistant Commissioner Magistrates are sent away from the Judicial Department and replaced by ordinary Assistant Commissioners the total number in the second grade will be 9 which is according to the sanctioned scale. But even then one more Assistant Commissioner will have to be posted as Magistrate to make up the full sanctioned strength of 8 Assistant Commissioner Magistrates according to the Civil Service Cadre and ~~as~~ *as this will raise the total number in the grade to 10 (one more than the sanctioned strength)* one of the remaining ~~two~~ *Six non-Assistant Commissioners in the grade* officers will have to be provided for elsewhere unless he can be absorbed in filling up the vacancy of First Grade Magistrate referred to above.

In the Third Grade there are now 10 persons (of whom one is acting) against a total sanctioned strength of 12 so that there is scope for making 2 fresh appointments.

5. Action has thus to be taken in the following respects to give full effect to the Separation Scheme in accordance with the existing orders:-

(1) Two of the Senior Assistant Commissioners now employed as Special Magistrates to be replaced by ordinary Assistant Commissioners

(2) One fresh appointment to be made in the first grade

(3) One Additional Assistant Commissioner to be posted

as Special Magistrate (second grade), the number of other officers now employed as Magistrates being reduced by 1 for this purpose, unless the ~~extra~~ ^{first} hand can be absorbed in filling up the vacancy in the ~~second~~ grade.

(4) Two fresh appointments to be made to 3rd grade.

6. With regard to (1). This is only a question of posting and I shall submit proposals in this respect separately if the general lines proposed by me above for dealing with the case are approved.

As regards (2), I think that out of the sanctioned scale of 8 first grade Magistrates, leaving out the ~~4~~ 4 places reserved for Senior Assistant Commissioners 2 of the remaining 4 may be included in the Sub Judges' cadre (or made interchangeable with Sub Judges) and the other 2 reserved for promotion of second grade Magistrates who do not belong either to the Civil Service or the Judicial Department and who have therefore no other prospect of promotion in the service. In this view, I am of opinion that the vacancy in the first grade may be given to Mr. M. Rama Rao who comes next after Mr. C. Narainswami Naidu in the list of non-Civilian 2nd grade Magistrates. The appointment may be treated as acting, for the present, pending final decision of the question of the inclusion of 2 of the first grade Magistrates in the cadre of Sub Judges and of some of the second grade Magistrates in the cadre of Munsiffs about which I shall submit a ~~separate~~ note separately.

If the proposal to appoint Mr. Rama Rao to act in the first grade is approved, it will create an acting ~~vacancy~~ vacancy in the second grade and against this vacancy Mr. N Sitharamiah who is now acting in the second grade may continue to act in that grade. An additional Assistant Commissioner may then be posted to the 2nd grade (to make the full complement of Assistant Commissioners/ Special Magistrates according to the Civil Service Cadre), without disturbing

any of the other officers now acting as second grade magistrates.

Coming now to the 2 new appointments to be made to the 3rd grade, I am of opinion that one of these appointments may go to the service and the other given to a member of the Bar. Among the men in service a selection may be made from

.....0
 1. Mr. S.K. Venkataramanier 0

among the marginally noted persons who have applied for a 3rd grade Magistrate's place and who are all Law Graduates. Of these, Mr. S.K. Venkataramanier having already acted as 3rd grade Magistrate for some time may perhaps be given preference.

As regards the selection of a person from the Bar, a non-Brahmin candidate may be selected if the person appointed from the service is a Brahmin. Of the non-Brahmin candidates in the list placed in the file who are Law Graduates and ~~who are~~ members of the Bar, I would give preference to Mr. B. Ganesh Singh, B.A., LL.B., Advocate, Bangalore (son of Mr. B. Heera Singh, retired Deputy Conservator of Forests.) If the selection from the Bar is to be made on the ground of merit alone without regard to communal considerations, I believe that Mr. C.B. Srinivasa Rao will be the best selection.

Final Note by the First Member of Council.

Subject:—

Appointment of Special Magistrates in connection with the introduction of the Judicial Separation Scheme in Chitaldrug District.

The introduction of the Judicial Separation Scheme into the Chitaldrug District with effect from 1st October 1925 having been sanctioned by His Highness (vide Private Secretary's D.O. letter No. 237 dated 17th June 1925), one First Grade and two Third Grade - Magistrates have to be appointed to give effect to the scheme.

According to the sanctioned scale of Special Magistrates, there are to be 8 places of First Grade Magistrates of whom four are to be filled by Senior Assistant Commissioners. In the Government Order dated 17th November 1919, 3 of the First Grade Magistrates' appointments were ordered to be included in the cadre of Sub Judges; but as the number of First Grade Magistrates has since been reduced from 11 to 8 and a new class of Magistrates i.e. Third Grade - - Magistrates, has been created, the above-mentioned order cannot be considered to be any longer in force: and the number to be included in the Sub Judges' cadre has to be revised with due regard to the claims for promotion of persons appointed solely to the magisterial cadre without being included in the cadre of the civil service or of the civil Judicial Department.

2. After taking all the facts into consideration, I put up a note dated 10th August 1925 suggesting that out of the 4 places of special First Grade Magistrates which remain after excluding the - number to be filled up by Senior Assistant Commissioners, two places may be included in the cadre of Sub Judges and the remaining two may be reserved for promotion of persons who are appointed solely to the

(10)

magisterial cadre and who have no prospects of promotion either in the Judicial Department or the Civil Service. With regard to the vacancy in the first grade that has to be filled up, I proposed that Mr. P. Rama Rao, B.A., B.L., Second Grade Magistrate, whose place in that grade is next after Mr. C. Narainswami Naidu who has been already appointed to act in the first grade, may be temporarily posted to act in the first grade, the question of making Messrs. Narainswami Naidu and Rama Rao permanent in the grade being reserved for consideration after the question of the interchange of First and Second Grade Magistrates with Sub Judges and Munsiffs respectively is finally decided. As regards the two fresh appointments to be made for the Third Grade, I expressed it as my opinion that one of the appointments may be given to a qualified Law Graduate already in service and the other to a member of the Bar, and after a consideration of the claims of the several applicants, suggested the names of Mr. S. K. Venkataramana Iyer, B.A., B.L. (clerk in the Secretariat) who had acted as ~~Third~~ Grade Magistrate for some time and Mr. B. Ganesh Singh, B.A., LL.B., ^{Advocate} (son of Mr. Heera Singh, late Deputy Conservator of Forests) for the two vacancies.

3. As ordered by the Dewan, the subject was discussed at the meeting of the Council held on the 13th instant and the Council was of opinion that the 8 appointments in the first grade may be allocated to the Civil Service, (Civil) Judicial and the purely magisterial cadre in the proportion of 4, 2, and 2 ^{respectively} as proposed by me, that, instead of promoting Mr. Rama Rao temporarily to the first grade, as suggested by me, the vacancy in the first grade may be left unfilled until the question of the distribution of the total number of appointments in all grades between the several cadres was finally decided, that, as against the permanent vacancy in the first grade which would be left unfilled, an extra appointment may be made in the second grade to count against the vacancy in the first grade and Mr. S. N. Seetharamiah who is now acting in the second grade may be made permanent in the grade, and that Mr. B. R. Ramalingiah, M.A., B.L., a practising Advocate of Bangalore belonging to the Devanga community and Mr. S. Srinivasan, B.A., B.L.,

Police Inspector (on Rs 100/-) may be selected for the two new appointments to be made in the third grade, both of them being appointed on probation for one year. The Council also resolved that Mr. H.V. Chandrasekhariah who has been ¹¹⁻¹¹⁻³⁴acting as third grade magistrate in a permanent vacancy may also be considered as on probation for one year from the date he was appointed to act in that grade.

4. I request that the gracious sanction of His Highness may be accorded to the arrangements proposed by the Council, viz.,

- (1) The allocation of the 8 appointments in the first grade to the Civil Service, the Judicial Department and the Magisterial Cadre in the proportion of 1, 2 and 2 ~~respectively~~
- (2) Confirmation of Mr. N. Seetharamiah as second grade Magistrate (Rs 250-25-450);
- (3) Appointment of (i) Mr. B. R. Ramalingiah M.A., B.L., Advocate Bangalore (belonging to Devanga Community) and (ii) Mr. S. Srinivasan B.A., B.L., Police Inspector as Third Grade Magistrates (Rs 150-25/2-250) on probation for one year and
- (4) Treating Mr. H.V. Chandrasekhariah who is acting as Third Grade Magistrate, as on probation for one year from the date he was appointed to act (so that he may be confirmed at the end of the period, if his work is found to be satisfactory.)

Sir A.R. Banerjee, M.A., I.C.S., C.I.E., K.C.I.E.
Dewan of Mysore,
M Y S O R E.

Sir,

Please allow me to approach you with this application of mine for one of the Special Magistrates' Post in the Chitaldrug District as I hear that our benign Govt. is going to introduce separation scheme into this District.

Some time, when the above scheme was introduced to - Tumkur and Hassan Districts, I was an applicant and personally paid my respects to you as well as to the then 1st Member of the Council. I was unfortunate enough to be eliminated. My application may still be pending before the Government.

15
1944
I am a practising Lawyer in Mysore for over 2 years and please excuse me if am confident enough to say that I have good training and experience having worked under Mr. Basavardhya, B.A., B.L., and have handled many criminal and civil cases successfully till now. I may also add that I am a graduate of the Mysore University, being a scholarship holder throughout my College career and took the LL.B., degree of the Bombay University in 1923.

My community which has got only a few hundred population and notoriously backward in education had two Government servants, one of whom is Mr. Basavaradhya, who is now retired as a city Magistrate and another was late Mr. B. Nandundardhya, LL.C.E., was my fatherinlaw and he died as an Executive Engineer, in harness being cut off in the prime of his life leaving behind him a large family of 7 young children. If an ap-

appointment is given to me, it will be not only an encouragement to me and but a great benefit conferred on my late father-in-law's children who are all living with me.

I am the only Law Graduate and practising Lawyer in my community and it lags far behind in education. I pray you, Sir, to consider all the circumstances mentioned in this application of mine and encourage me and my community by giving a place of Special Magistrate in the Chiklaldrug District.

I beg to remain,

Sir,

Your most obedient servant,

J. Hallanadhy

To Sir A.R. Banerji, Kt., C.S.I., C.I.E.,

Dewan of Mysore, Bangalore.

Sir, 7.8.25.

C.P. 292

I beg to be an applicant for one of the Special - -
Magistrates' posts that are to be created this year, in the
Chitaldrug District, under the judicial separation scheme.

I belong to a highly respectable family. My father and
forefather were old servants of the State. My grand-father,
the late Rai Bahadur Arcot Srinivasa Charlu rendered manifold
and brilliant services to the State as Muzrai Secretary and
Inspector-General of Registration. His name is a household
word in parts of Mysore. I have a brother in the State service
who is a Deputy Commissioner. I am a Graduate both in Arts
and in Law of the Madras University and I have been enrolled
as a First Grade Pleader by the Chief Court of Mysore. I shall
deem it a proud privilege to serve the State in my humble turn,
and shall endeavour to sustain the family reputation for zeal
and probity in public service.

I humbly request His Highness' Government may be gra-
ciously pleased to appoint me as a Special Magistrate and thus
confer an honour upon the descendant of one of the very loyal,
trusted and esteemed servants of the State.

I beg to remain,
Sir,
Your most obedient servant,
